Calendar Reminder

# North Brooklyn Compost Volunteer

Volunteering is one of our favorite forms of climate action and hanging out with [North Brooklyn Compost](#) at McGolrick Park is a wonderful way to spend your Sunday morning while taking climate action!

**Date and Time: Sunday, Oct 16, 9:45 am - 11:45 am**

We're looking for around 6 volunteers (a few more is ok too!) between 9:45am and 11:45am on Sunday Oct 16. We've arranged with the organizers to have Women and Climate volunteers take over those shifts so come on out! We'll greet composters, smash down some compost, hang out and meet new members, and maybe recruit some new ones too!

We can head out for lunch/coffee and even do a little zero-waste shopping at [Maison Jar!](#)

## November Global Virtual

# Networking

Introducing Catalyze, a monthly Women and Climate virtual activation, kicking off in November!

**Date and Time: Weds, Nov 2, 2022 at 11 am EST | 8 am PST | 4pm BST | 5pm CEST**

Each month, two speakers from the WAC community will speak for around 10 to 15 mins with Q&A. The topic is the work they do in climate and the goal is to help our members learn more about what climate work looks like and learn more about climate topics.

After talks, members will have a chance to network and discuss a topic that arises from the talks. Topics will span policy, all things carbon, ESG, circular economy, zero waste, fashion, tech, and more! Michelle and Stephanie will be hosting. Speakers for November to be announced soon!

Thank you Sarah Jacobwitz for helping us project manage this program! If you're interested in speaking at a future event, fill out this form!
